We usually go out for pizza after the meeting. Please feel free to join us!

OUR WORDS

Greetings All!

This month We are writing from Pennsic War in Slippery Rock, Pa.

With Pennsic comes a great many memories for both of Us. Some memories are of good friends who We see but once per year, some are of friends who We see every few years but it's like we just left each other's company, and yet other memories are of friends long gone and recently departed who we miss terribly.

And most of all, We think of our friends in Ered Sul.

Attending a Great War out of your own Kingdom is a growth experience We wish all could have. Different Kingdoms have different traditions. Sometimes those traditions are jarring to the way things are done "back home." Sometimes they just seem strange, and sometimes they are pretty cool!

Ered Sul has a history forged over more than forty years. Our ways are based on Old Traditions: helping others who need assistance, teaching a skill to all who wish to learn, serving the group, and encouraging others.

This year's Pennsic has given Us some new memories: a lightning strikes that was a close call for many on land grab Saturday, resolution of a map issue 10 years in the making, and a new pre-reg/land grab system.

Seeing some of the great things that happened, and some of the disappointing ones, reminded us that the SCA is not just a hobby for Us – the SCA is, and has been, a lifestyle choice. We recognize that every individual's participation is dependent on many factors. What is right for one may not be right for another. Ered Sul has room for all levels of participation.

Let's all work to keep Ered Sul traditions alive and well – they're some of the best of the SCA.

Baronial Officers –

Last year We told those assembled at several meetings/events that We will be publishing office want ads where the current office holder's warrant is due to expire. It is Our policy to accept an officer's extension for one year beyond the current expiration of their warrant. We want to broaden our office corps including Deputies and Greater and Lesser Officer.

Several of the warrants for Baronial Officer Positions will be expiring in the next few months. Some officers will retire, others will stay. We are required by Kingdom Law to advertise these positions.

Thegn Gunnar, Our current A&S Champion, has graciously accepted the position of Interim A&S Officer. He has agreed to serve for a year as A&S Officer, but to make everything conform to Kingdom regulations the position must be advertised. We have spoken with Lady Katherine the Tapester, who must vacate the Deputy position due to real world work requirements. When next you see Lady Kat, please thank her for her enthusiasm for A&S and her generosity in opening her home to A&S gatherings. We would like to find at least two A&S Deputies to help lighten the load for all involved and make it easier to cover various events.

Position: Barony of Ered Sûl A&S Officer

Requirements: The A&S Officer is a very public position, vital to the mission of the SCA. It requires a person who is outgoing, and comfortable dealing with people with all levels of A&S skill. Communication is an integral part of the A&S officer's job. Due to the extensive distances and time involved in travel within both the Barony and the Northern A&S community, internet competency is mandatory. The officer **MUST** check their SCA-specific email on a daily basis – including relevant Yahoo groups and Facebook. The Barony has an official Baronial list on Yahoo, and two unofficial lists on Facebook – one devoted specifically to A&S in Northern Atenveldt. If the officer is unable to check their email due to technological issues (email outages, etc.) they must contact the Seneschal, the Baron and Baroness and their deputies to inform them that their job needs to be “covered” until they can be back online.

In addition to the Baronial A&S presence online, the A&S officer is responsible for arranging for at least one formal A&S event per month. The Barony rents a room at the Thorpe Community Center on the second Tuesday of every month. This date is intended to be used for A&S activities. It can be used for either a formal class, or a general project night. The A&S officer is responsible for making sure that either they, or some other responsible individual, are present for this event. In addition to the A&S night, the A&S officer should be arranging for weekend workshops at least once every other month. The A&S officer does not need to be able to personally teach these workshops or the classes offered on the A&S night. They need to recruit the teachers, or ask for help in recruiting the teachers. The officer needs to stay in contact with the Kingdom A&S Minister and make use of the Kingdom resources to bring in activities such as traveling scriptoriums and visiting teachers. The workshops can be held in either a private home or in a facility that is rented by the Barony. Arranging for the location is the A&S officer's responsibility. The information on upcoming workshops and classes should be arranged several months in advance with the details being published in the monthly newsletter and broadcast on both the Yahoo and Facebook lists several times, at regular intervals (a month out, two weeks out, a week out, and two days out) before each event.

The officer is required to send a formal A&S report detailing ALL of the A&S activities that are occurring in the Barony to the Kingdom A&S Minister, their deputy(ies), the Seneschal and the Baron and Baroness every month.

The Barony holds three Baronial events per year – Highland's War, Too Darn Hot, and Ered Sulabration. There should be appropriate A&S activities at each one of these events. Highlands War is the most complex of these events. It has an A&S area, with demos, and classes, all of

which must be recruited, organized, scheduled, and executed. Too Darn Hot is a much more laid back event, and A&S activities there can be much more relaxed, but should exist, if only as a “hang-out” spot for crafty people. The Baronial A&S Champion is chosen at Ered Sulabration. The officer must consult with the Baron and Baroness and the former champion to arrange the A&S competition and display. In addition, if the Barony continues to hold combined practices during the year, it is the A&S officer’s job to arrange appropriate A&S activities at these events – appropriate activities include, but are not limited to European Dance, Belly Dance, scriptoriums, sewing, weaving, spinning, fiber preparation, leatherwork, embroidery, cording, and banner making.

In addition to the standard A&S activities it is the duty of the A&S officer to recruit and train deputies and their replacement.

To apply for this position you must send a letter of intent to the Seneschal, Baron, and Baroness. This letter must include your name, membership number, SCA experience, and contact information. In addition, if you are applying for the first time, We would like to hear your ideas for classes, workshops, and your goals for this office. If you are currently holding this office we would like an honest assessment of what sort of a job you feel you have been doing in this position, how you feel you can improve your performance, and your plans for future classes.

Barony of Ered Sûl Herald – Lady Lora of the Four Paws (Laura Minas) is our current baronial herald. She has expressed a desire to remain in this position, but we would like to find her a deputy (or two). Having more than one person who understands the duties of the herald and can “cover” in the absence of the main herald is a good thing.

Requirements: The Herald Position is divided into three areas of responsibility – voice heraldry, court recording, and helping baronial members with heraldic and name submissions.

Voice Heraldry requires that the Herald is capable of starting, running and concluding a baronial court, and working with other baronial and kingdom heralds. The herald must keep track of the activities that are to occur during the court, control the distribution of scrolls and award medallions, and generally assist with the flow of court. The herald should be able to travel to distant events at least some of the time.

Court Recording means that the herald is must report the awards that are given in court to the Kingdom heralds so that the Kingdom OP may be kept current. The Herald needs to also periodically review the Kingdom OP to make sure that Kingdom is entering the award information correctly.

Heraldic and Name Submissions are an important part of the Heralds duty. The populace needs assistance in negotiating the rules for name and research and submission.

To apply for this position you must send a letter of intent to the Baron and Baroness. This letter must include your name, membership number, SCA experience, and contact information. In addition, if you are applying for the first time, We would like to hear your ideas for classes and workshops and your goals for this office. If you are currently holding this office we would like

an honest assessment of what sort of a job you feel you have been doing in this position, how you feel you can improve your performance, and your plans for the future.

The Baronial Herald (and Deputies) must have access to the unofficial Ered Sul Facebook postings and the Official Communications Channel on the Baronial Yahoo Group.

As last year, we'll be gone until right before Crown. Continue playing! Life goes on when we aren't there.

See you all at Crown Tourney soon!

All trailers are currently being visually inspected, and vehicles are also subject to random checks.

The road to site is paved, and for your safety and comfort please heed "Dips in Road" signs along with the mundane speed restrictions.

In addition to the traditional Mace and Great Sword tournament, the Baronial Champions will be

determined over the course of the weekend. Bring your great swords, maces, axes and other weapons to join in the fun and test the mettle of those who wish to serve as Champions.

As always, Their Excellencies encourage heraldic display to enhance the pageantry of the tournament and add to the ambiance throughout the site.

See our website and watch the e-lists for any updates or changes. www.monstonitrus.org

Ren Man/Woman August 11, 2012 Barony of Sundragon

Hear Ye!! Hear Ye!!

Greetings unto the Populace of the Kingdom of Atenveldt, does the current Renman, Baron Heinrich Loescher of Mons Tonitrus, send greeting and does announce that it is time to select a new Renman/Renwoman from the populace.

The competitions this year will include the always twisted political game, a Bardic competition, a Flirting contest, and a Challenge tourney for Rapier. Just as last year, there will also be several secret/ hidden contests going on throughout the event. So come to the only indoor fighting event in Atenveldt, come for the fun and games, and come for the shenanigans of RENMAN!!!!

Anyone may choose to enter as few or as many of the challenges as they wish just for the fun of it. A champion may stand in your stead for a single competition if you are competing for the overall title of Ren Man, but you must compete in all of the other competitions. So the challenge goes out to all in this glorious Kingdom. Send us your men and women of the Renaissance and see who will survive the day to be one among few, the Renaissance Man/Woman of A.S 47.

Note that Baron Wilhelus will also be unearthing one of the most diabolical game challenges ever created by the mind of Master Yehudah. Those who remember please share your experiences with those too new to know the madness of musical chairs gaming. A special prize will be awaiting the victor!

Event Date - Saturday, August 11, 2012.

The location is the Apostle's Lutheran Church 7020 W Cactus Road, Peoria AZ 85381.
