Meetings

Our populace/officers meetings are held every third Thursday of the month at Thorpe Park Community Center in Flagstaff from 6:30p to 8:00p. Thorpe Park Community Center is located in Flagstaff at 245 N. Thorpe Rd.

Our meetings usually cover discussion of business items, plans for upcoming events, and occasionally a dance practice if time permits.

We usually go out for pizza after the meeting. Please feel free to join us!

OUR WORDS

Greetings All!

The first week of October We had the tremendous opportunity to attend Great Western War in Caid. Attending a Great War out of Atenveldt is a growth experience We wish all could have, especially as Our kingdom begins the rebuilding process for Estrella War. There are more than a half dozen great wars in North America that we can all learn from.

As We have attended the last twelve months of great wars, We have talked to literally hundreds of attendees. We've listened carefully and taken lessons from every event that We'll share with everyone in Our Barony who wants to hear.

Highlands War is moving to the White Mountains of Arizona for Highlands War XIX. And it is expanding to a full week. The expansion to a full week-long event has been welcomed by out of Kingdom friends because it gives more opportunity to travel to Our War and really play. For sure, the distance is longer for much of Our Barony, and especially for Us. About half of the current department heads for Highlands War XIX spent the weekend before Great Western War at the Alpine site, walking the land, discussing with the property owners, and laying out the major portions of the war. Not everyone can camp in the shade of pines, but everyone will be able to watch battles from the shady ridge top overlooking the battlefield. Those who traveled to Alpine will share our impressions and observations at the next Populace meeting. It is a truly beautiful site.

While We are excited by Highlands War XIX, there are several upcoming wars and other events in the next few months. Take a look through the Higher Word, and don't forget Southern Crusades, Yule and Estrella are still before us. We are also in the process of setting up combined practices at the Armory for the winter. We are currently waiting for the final word on our requested dates.

Baronial Officers –

Last year We told those assembled at several meetings/events that We will be publishing office want ads where the current office holder's warrant is due to expire. It is Our policy to accept an officer's extension for one year beyond the current expiration of their warrant. We want to broaden our office corps including Deputies and Greater and Lesser Officer.

Several of the warrants for Baronial Officer Positions will be expiring in the next few months. Some officers will retire, others will stay. We are required by Kingdom Law to advertise these positions.

Thegn Gunnar, Our current A&S Champion, has graciously accepted the position of Interim A&S Officer. He has agreed to serve for a year as A&S Officer, but to make everything conform to Kingdom regulations the position must be advertised. We have spoken with Lady Katherine the Tapester, who must vacate the Deputy position due to real world work requirements. When next you see Lady Kat, please thank her for her enthusiasm for A&S and her generosity in opening her home to A&S gatherings. We would like to find at least two A&S Deputies to help lighten the load for all involved and make it easier to cover various events.

Position: Barony of Ered Sûl A&S Officer

Requirements: The A&S Officer is a very public position, vital to the mission of the SCA. It requires a person who is outgoing, and comfortable dealing with people with all levels of A&S skill. Communication is an integral part of the A&S officer's job. Due to the extensive distances and time involved in travel within both the Barony and the Northern A&S community, internet competency is mandatory. The officer MUST check their SCA-specific email on a daily basis – including relevant Yahoo groups and Facebook. The Barony has an official Baronial list on Yahoo, and two unofficial lists on Facebook – one devoted specifically to A&S in Northern Atenveldt. If the officer is unable to check their email due to technological issues (email outages, etc.) they must contact the Seneschal, the Baron and Baroness and their deputies to inform them that their job needs to be “covered” until they can be back online.

In addition to the Baronial A&S presence online, the A&S officer is responsible for arranging for at least one formal A&S event per month. The Barony rents a room at the Thorpe Community Center on the second Tuesday of every month. This date is intended to be used for A&S activities. It can be used for either a formal class, or a general project night. The A&S officer is responsible for making sure that either they, or some other responsible individual, are present for this event. In addition to the A&S night, the A&S officer should be arranging for weekend workshops at least once every other month. The A&S officer does not need to be able to personally teach these workshops or the classes offered on the A&S night. They need to recruit the teachers, or ask for help in recruiting the teachers. The officer needs to stay in contact with the Kingdom A&S Minister and make use of the Kingdom resources to bring in activities such as traveling scriptoriums and visiting teachers. The workshops can be held in either a private home or in a facility that is rented by the Barony. Arranging for the location is the A&S officer's responsibility. The information on upcoming workshops and classes should be arranged several months in advance with the details being published in the monthly newsletter and broadcast on both the Yahoo and Facebook lists several times, at regular intervals (a month out, two weeks out, a week out, and two days out) before each event.

The officer is required to send a formal A&S report detailing ALL of the A&S activities that are occurring in the Barony to the Kingdom A&S Minister, their deputy(ies), the Seneschal and the Baron and Baroness every month.

The Barony holds three Baronial events per year – Highland's War, Too Darn Hot, and Ered Sulabration. There should be appropriate A&S activities at each one of these events. Highlands War is the most complex of these events. It has an A&S area, with demos, and classes, all of which must be recruited, organized, scheduled, and executed. Too Darn Hot is a much more laid back event, and A&S activities there can be much more relaxed, but should exist, if only as a

“hang-out” spot for crafty people. The Baronial A&S Champion is chosen at Ered Sulabration. The officer must consult with the Baron nad Baroness and the former champion to arrange the A&S competition and display. In addition, if the Barony continues to hold combined practices during the year, it is the A&S officers job to arrange appropriate A&S activities at these events – appropriate activities include, but are not limited to European dance, belly dance, scriptoriums, sewing, weaving, spinning, fiber preparation, leatherwork, embroidery, cording, and banner making.

In addition to the standard A&S activities it is the duty of the A&S officer to recruit and train deputies and their replacement.

To apply for this position you must send a letter of intent to the Seneschal, Baron, and Baroness. This letter must include your name, membership number, SCA experience, and contact information. In addition, if you are applying for the first time, We would like to hear your ideas for classes, workshops, and your goals for this office. If you are currently holding this office we would like an honest assessment of what sort of a job you feel you have been doing in this position, how you feel you can improve your performance, and your plans for future classes.

Barony of Ered Sûl Herald – Lady Lora of the Four Paws (Laura Minas) is our current baronial herald. She has expressed a desire to remain in this position, but we would like to find her a deputy (or two). Having more than one person who understands the duties of the herald and can “cover” in the absence of the main herald is a good thing.

Requirements: The Herald Position is divided into three areas of responsibility – voice heraldry, court recording, and helping baronial members with heraldic and name submissions.

Voice Heraldry requires that the Herald is capable of starting, running and concluding a baronial court, and working with other baronial and kingdom heralds. The herald must keep track of the activities that are to occur during the court, control the distribution of scrolls and award medallions, and generally assist with the flow of court. The herald should be able to travel to distant events at least some of the time.

Court Recording means that the herald is must report the awards that are given in court to the Kingdom heralds so that the Kingdom OP may be kept current. The Herald needs to also periodically review the Kingdom OP to make sure that Kingdom is entering the award information correctly.

Heraldic and Name Submissions are an important part of the Herald’s duty. The populace needs assistance in negotiating the rules for name and research and submission.

To apply for this position you must send a letter of intent to the Baron and Baroness. This letter must include your name, membership number, SCA experience, and contact information. In addition, if you are applying for the first time, We would like to hear your ideas for classes and workshops and your goals for this office. If you are currently holding this office we would like an honest assessment of what sort of a job you feel you have been doing in this position, how you feel you can improve your performance, and your plans for the future.

The Baronial Herald (and Deputies) must have access to the unofficial Ered Sul Facebook postings and the Official Communications Channel on the Baronial Yahoo Group.

Barony of Ered Sûl Seneschal – His Lordship Gil Gareth Greywolf is our current baronial seneschal. Gil is completing an extension to his current warrant. Having more than one person who understands the duties of the seneschal and can “cover” in the absence of the seneschal is a good thing.

Requirements: The Seneschal Position is critical to the mundane, legal, standing of the Barony. The Seneschal is responsible for preparing a monthly summary report of the status of the Barony, and managing the report flow from Baronial Officers. The Seneschal is also the legal representative of the Barony, signing all contracts on the Barony’s behalf.

The Seneschal must be capable of starting, running and concluding Baronial populace meetings, and working with other baronial and kingdom seneschals to accomplish the Barony’s goals. The seneschal must keep track of the activities that are to occur during the populace meeting, control the distribution of baronial reports, and generally assist with managing the barony in conjunction with the Baron and Baroness. The seneschal should be able to travel to distant events at least some of the time.

Timely response to baronial issues is critical. Therefore, the candidate must be capable of using common office productivity software including Word and Excel. The candidate must be connected to the Internet and willing to maintain an electronic presence on the official Yahoo Group email list, Kingdom lists, Facebook, and other lists as identified by the Baron and Baroness.

Better than average interpersonal communications skills are a must.

To apply for this position you must send a letter of intent to the Baron and Baroness. This letter must include your name, membership number, SCA experience, and contact information. In addition, if you are applying for the first time, We would like to hear your ideas and your goals for this office. If you are currently holding this office we would like an honest assessment of what sort of a job you feel you have been doing in this position, how you feel you can improve your performance, and your plans for the future.

KINGDOM EVENTS

From the Board of Directors – Same Gender Consort Proposal

In continuation of its investigation of the matter of same gender couples competing in Crown list, the Board is continuing its quest to solicit commentary on potential language changes to its governing documents regarding this issue.

Current language reads: Each competitor in a Royal List must be fighting for a consort of the opposite gender.

New Proposed Language: Each competitor in a Royal List must be fighting for a prospective consort of the opposite sex unless the Crown has elected to permit a competitor to fight for a prospective consort of the same sex.

The Board is very interested in hearing from the membership on this issue. The deadline for comments from the membership regarding this subject is no later than December 1, 2012.

Please send comments to: SCA Inc., Box 360789, Milpitas CA 95036, or email them in the body of an email message (without any attachments) to comments@sca.org. If emailing please use the title "Same-Gender Consort Proposal" in the Subject line.
