Meetings

Our populace/officers meetings are held every third Thursday of the month at Thorpe Park Community Center in Flagstaff from 6:30p to 8:00p. Thorpe Park Community Center is located in Flagstaff at 245 N. Thorpe Rd.

Our meetings usually cover discussion of business items, plans for upcoming events, and occasionally a dance practice if time permits.

We usually go out for pizza after the meeting. Please feel free to join us!

OUR WORDS

Greetings All!

Fall is here in the North, and it's time to start planning the events that you will attend for the next few months.

Attending other Barony's events is fun – and it's important to you and your Barony. While We can share the tales of your Skill and Prowess, there's really no substitute for you being there to help spread your fame. We're immensely proud of all of you and want to see you honored by your friends outside Our Barony.

We need your help.

Champions in the Pines is a great (relatively) local event that you should consider attending. It is a short drive, but you can share costs by carpooling. Plan ahead and ask your friends if they'd like to share a ride. Consider participating at other Barony's events even further from home. Southern Crusades is coming up quick. If you have time off to go, why not share space in your car with another Baronial member? It's a great way to pass the time during the drive.

Recently Lord Thaddeus Legolas was asked to consider accepting admission to The Order of Chivalry. This is a great honor for him, and one we have supported since Our Investiture. His answer is due at Coronation.

We encourage all to attend the Coronation event, not just because Josh is our friend, but also because all of us need to help the Crown understand that Our Barony has good people who deserve recognition. We have heard comments that "Ered Sul doesn't attend anything" and "Ered Sul is insular." This is simply not true. All of us need to show others, and especially Our Crown, that we care enough to organize travel to Coronation.

We were not able to attend Crown this month, but several people from our Barony did. They had a pop-up and a populace flag and their presence there was important to the Barony as a whole.

We will be attending Great Western War again this year as merchants. Some of you will be going as well – we look forward to seeing you there.

We have been working to increase the knowledge about Highlands War in the neighboring Kingdoms. Albuquerque is a fairly long drive, but consider going to an event in that Kingdom as well. You can have fun and encourage those out-of-Kingdom friends to join Us next June for Highlands War.

It's Ered Sul's turn to host Yule this year. Seating will be limited due to the site size. (For those who missed Our earlier message, the Armory is no longer being rented so our contract for the space for Yule was cancelled.) Prepaid Feast Reservations will be required and the event will be available on ACCEPS. The theme this year will be late 1500's Italian, based on the recipes of Scappi and possibly Banchetti.

Our Last Words for this month are about Thegn Gunnar Skullsplitter. Some of you may recall that We named Gunnar as Our Privy Councilor at Our Investiture. Gunnar has stepped into the void when things happened – or didn't happen. He's been an autocrat several times for Us. And he took on the A&S Minister position when it was suddenly vacated. He has served his full commitment as Our A&S Champion and then as A&S Minister. He accepted an extension to his warrant when We needed him. Now it's time for him to attend to other SCA obligations that he has. We are VERY sad to see him go. Please read the job descriptions that are open for YOUR Barony and make yourself known to Us or the Seneschal. Training is available for **ALL** positions.

Yours in Service,

Baron Henry & Baroness Eirny

Baronial Officers WANT ADS

Last year We told those assembled at several meetings/events that We will be publishing office want ads where the current office holder's warrant is due to expire. It is Our policy to accept an officer's extension for one year beyond the current expiration of their warrant. We want to broaden our office corps including Deputies and Greater and Lesser Officer.

Barony of Ered Sûl Herald – Lady Lora of the Four Paws (Laura Minas) is our current baronial herald with a warrant that expires in July of 2014. Having more than one person who understands the duties of the herald and can “cover” in the absence of the main herald is a good thing. We would like to find her at least one or two official deputies.

Requirements: The Deputy Herald Position is divided into three areas of responsibility, the same as the regular Herald – voice heraldry, court recording, and helping baronial members with heraldic and name submissions.

Voice Heraldry requires that the Herald is capable of starting, running and concluding a baronial court, and working with other baronial and kingdom heralds. The herald must keep track of the activities that are to occur during the court, control the distribution of scrolls and award medallions, and generally assist with the flow of court. The herald should be able to travel to distant events at least some of the time.

Court Recording means that the herald is must report the awards that are given in court to the Kingdom heralds so that the Kingdom OP may be kept current. The Herald needs to also periodically review the Kingdom OP to make sure that Kingdom is entering the award information correctly.

Heraldic and Name Submissions are an important part of the Herald's duty. The populace needs assistance in negotiating the rules for name and research and submission.

The Baronial Herald Deputies must have access to the unofficial Ered Sul Facebook postings and the Official Communications Channel on the Baronial Yahoo Group.

Baronial A&S Officer: It is this officer's job to make sure that A&S happens at LEAST once a month in Ered Sul. They do not need to be able to teach the class, just organize it. We currently have a date set aside every month (based on Kingdom calendar activities) that is "open" to hold an A&S event. These events can be as simple as a stitch 'n bitch or crafty get together at someone's home, or as complicated as a formally organized workshop with costs and materials. In addition the A&S Officer should be prepared to assist with A&S activities at Highlands War, Too Darn Hot and any other Ered Sul event. The officer then needs to create an email report about activities and populace attendance and share it with a small group of people.

In the past we have also had a weeknight A&S night at the Thorpe Adult Center. If the A&S officer wishes to restart this process, the Barony can arrange for a rented room.

Baronial A&S Deputy: This officer assists the A&S Officer and fills in for them when they cannot attend an event.

Baronial Youth Officer: The Youth Officer is in charge of running the Baronial youth program. They are required to pass a background check that is administered through SCA, Inc. This officer should be able to run or add in the running of the youth program at Highland's War and Too Darn Hot.

Baronial Sheriff: The Sheriff is responsible for keeping order at baronial events and maintaining lost and found items.

To apply for any Officer or Deputy position, you must send a letter of intent to the Baron and Baroness. This letter must include your name, membership number, SCA experience, and contact information. In addition, if you are applying for the first time, We would like to hear your ideas for classes and workshops and your goals for this office. If you are currently holding this office, we would like an honest assessment of what sort of a job you feel you have been doing in this position, how you feel you can improve your performance, and your plans for the future.

Recently Filled Officer Positions

Baronial Chatelaine: Banthegn Sauenn has volunteered to be Our Chatelaine, and is now warranted.

Deputy Baronial Chatelaine: Alice Annie has also volunteered to assist with the Baronial Chatelaine's position as a Deputy. She is now warranted as Deputy Baronial Chatelaine.

Baron Henry & Baroness Eirny

July 2013 Rapier Report

August was a busy month for all hence the combined practices were few. The Sundays of the 11th and 4th were the only real fighter practices. Both practices had 1 authorized rapier fighter, me. No new fighters, no youth fighters, no injuries, and no weapon failures. Thank the gods for the heavy fighters giving me a chance to get some fighting in.

Servant to the people,
