## LETTERS OF INTENT

Unto Their Royal Majesties, Their Royal Highnesses, the Kingdom Seneschal, Their Excellencies Henry and Eirny, and the wonderful populace of the Barony of Ered Sul, do we, Lord Janquith Telewin and Lady Allesia de Canaberiis, send our warmest and most humble greetings.

We wish to announce our intention to put ourselves forward for consideration as candidates for the next term of service as Baron and Baroness of the Barony of Ered Sul...but first, a little bit about us...

From the Barony of Eskalya, Principality of Oertha in the far north reaches of the Kingdom of the West, my journey began. An unnamed peasant, field heralding on a fine spring day, my heart was captured by the SCA. Traveling then to the sun kissed lands of Atenveldt, I came into the last days of the Shire of Granite Mountain and there, in the service to the new Barony of Granite Mountain, Lady Allesia de Canaberiis was born. I have been a Lady in Waiting, the Secretary of Waivers and the Chatelaine of Granite Mountain. I was also awarded the Premiere of the Roots of Granite Mountain. I was autocrat of the 5<sup>th</sup> Champions of the Pines where I received an Award of Arms and became engaged at Court. Marrying my beloved Lord Janquith Telewin brought me to the Barony of Ered Sul where I held the Deputy Chatelaine office until I stepped in as the acting Minister of Arts and Science to become the current MoAS Officer. I have traveled the Kingdom in attendance of great events and my desire is to deepen my commitment to the Dream and serve in a greater capacity.

Hailing from the northernmost border of what is now called the Barony of Granite Mountain, almost Ered Sul, did I, Janquith Telewin, begin my journey as a boy. It was a quest to find

myself. Upon investigating the heart of Ered Sul, with the help of great friends that I had made there, I found that little bits of service helped to find ME. I then proceeded to expand my view towards the south. There with the aid of even more friends, scattered throughout the many baronies and shires of Atenveldt, my eyes were opened to the reality of it; that service and unification is what I do...IS who I am. The man I have become is a servant to the Kingdom of Atenveldt, who would like to take that service to the next level. My achievements include AoA, Autocrat for multiple Brewers Guild Events, Letters of Marque from Ered Sul & Granite Mountain (for Merchant Vessels only), Baronial Rapier Marshal, 2<sup>nd</sup> Degree Gilded Shield of Ered Sul, Gold Scarf Rapier fighter/instructor, Captain of the Guard, and Heavy Armored Combat.

Together we are inspired to further serve our Barony and the Kingdom of Atenveldt and believe we can share that inspiration Kingdom-wide, with both fighters and artisans alike. We wish to instill a renewed energy for recruitment and maintenance of the population by creating a more developed corps of baronial officers. We plan to increase the visibility of our Barony by teaching and encouraging the skills of the known world through demonstration. We will support our populace by being available to listen, give awards and encourage attendance of events for the honor of serving our Kingdom. Married in the SCA, By the SCA (Don Simon Aaron of Windermere), what we as a couple bring to this position is a unique blend of old and new perspectives that will appeal and motivate all levels of players. We bring fun to the Dream, thus we believe Ered Sul will prosper.

We do fully understand the responsibilities of the positions of Baron and Baroness and that we are willing to commit to a three year term of office and will enjoy the opportunity to travel the Glorious Lands of Atenveldt.

We do understand that, if accepted as a candidate by the Crown, our Letter of Intent will be published in our baronial newsletter.

Lord Janquith Telewin and his Lady Allesia de Canaberiis  
Mundanely, Henry V Wheeler IV and Alice Anderson

Angus's previous SCA "jobs" within the Barony of Ered Sul have included Autocrat and Co-Autocrat of several events, he has been Knight Marshall for the last three years and has served on the financial committee. For the past 10 years he has dedicated himself to the training and development of the fighting community of the Barony. Angus joined the SCA in the late 80's, was knighted in 1995 and has been Queen's Champion, Baronial Champion of Atenveldt and Warlord of the Principality of the Sun. Some of his awards include The Fanged Wolf, Hawk's Lure, Queen's Cypher, Sable Axe of Atenveldt and Gilded Shield of Ered Sul. He has also been inducted into the Order of the Palm of Atenveldt and the Order of the Azure Chalice.

Katarina's previous SCA "jobs" within the Barony of Ered Sul have included Minister of the List. She has also been Co-Autocrat for two Eredsulabrations. Katarina has been playing in the SCA for 17 years, but joined Ered Sul about 5 years ago. She was awarded her AOA from the Kingdom more recently. She has a love of dance and music and participates in belly dancing and drumming. She creates her own period clothing and dance costumes.

**Why do we want this "job"?**

We want this job because we want to create opportunities for our members and newcomers to develop and grow, both in their SCA and personal endeavors, within the Barony and throughout the Kingdom. We want to create lasting memories and friendships with the Barony, which we consider our extended family, by continuing beloved traditions and creating more events within the Barony in which we may share.

We want to expand all aspects of the wealth of talent the Barony has by providing an encouraging environment for all interests in the SCA including rapier, A&S, archery, hardsuit, equestrian and youth. We want this job because we realize the amazing talent, character and accomplishment of the Populace of Ered Sul and would be honored to represent their contributions, respect and love for the Barony and the Kingdom. We are passionate about the SCA and have experienced a lot of magical moments over the years. It is our desire and hope that everyone we know and meet share this legacy of knowledge, love, and community that is Ered Sul.

### **Our Goals for the Barony of Ered Sul**

Our goals for the Barony of Ered Sul include making everyone, from seasoned veteran to newcomer, feel welcome and comfortable. We would like to reach out to everyone on Ered Sul lands. We feel that it is our responsibility to unite the Populace by traveling throughout its' lands and participating with all groups within Ered Sul. We desire to build on the relationships we have with our Northern brothers and sisters by supporting and attending their events. This would give us more opportunities to rekindle old friendships and create new ones. We want to grow the Barony through increased Kingdom participation and new membership recruiting. We feel it is important to encourage our members to participate not only on the local level, but on the Kingdom level so that they can experience all the aspects of the SCA. We would like to boost our membership numbers by encouraging and promoting more demonstrations in all interests of the SCA. We would like to increase the role of the College of Sankt Vladimir in the Barony and help them grow as well. We would like to bring back old traditions that we always thought were fun for everyone, but we also want to create some new ones that may be carried forward in the future. We want to create a fun environment where people want to come and leave their mundane lives for a little while. One of our most important goals is to have fun and represent the Barony of Ered Sul in a way that the Populace would be proud of.

We fully understand the responsibilities of the positions of Baron and Baroness and are willing to commit to a three year term of office.

We understand that, if accepted as a candidate by the Crown, our Letter of Intent will be published in the Baronial newsletter.

Respectfully,  
Sir Angus Macaird and Lady Katarina MacDonald
